

Trade Legals

TradeLegals can enhance your credit management and help reduce the cost of debt collection.

Exclusively available to Australian and New Zealand QBE Trade Credit policyholders[#]

The benefits of TradeLegals include

- Reduced collection costs, thanks to QBE Trade Credit's reimbursement of 50% of your legal fees up to \$4,000 per debt*
- You may choose to use either AMA Collection Services (AMA) or your own debt collection agency or legal firm for pursuing your debts*
- Competitive collection commission rate from AMA and no membership fee

How TradeLegals works

- Online access to AMA's portal to manage all matters relating to collection of your debts
- Simply present QBE with the paid invoices for your legal fees, a TradeLegals reimbursement form together with a completed claim form for the uncollected debt

Getting started

Contact either your insurance broker or QBE Trade Credit to see whether TradeLegals is available to you. If it is, a TradeLegals clause will be added to your trade credit insurance policy. AMA's Service Agreement will be sent to you. Signing and returning this will allow you to take advantage of the benefits of TradeLegals. AMA will contact you to discuss the collection process most suitable to you.

[#] Conditions apply as set out in the policy wording and the TradeLegals clause available from your broker or directly from QBE Trade Credit.

* Subject to a claim being paid in respect of the uncollected debt
